Tiger Shark Studios: November 2012

Big things are on the move this month, Tiger Shark Studios is expanding and we have new assets coming online this month. We start off by thanking you our customers and fans for all your support, your helping us go from strength to strength. The month we see the release of the Airport Utility Trucks pack. It comes with several colour maps, ambient and normal maps too. We also saw the first appearance of our Custom Car Pack 3 in use in a commercial product. Checkout Enigma Game's "Whizz Racer" <http://www.enigma-games.com/products.php>

Next Scheduled Asset Pack Releases:-

- AGS Bike Pack 2: Exciting new bike assets based on classic anime designs
- Omicron Theta Battle Force: This amazing battle force comes with Carriers, air support and ground units. They bring total annihilation to a RTS game.
- Cute Kittens: What can we say; they are cute, cuddly and full of fun. Perfect fit for any social sim or character based game.

We are now offering our services via [fiverr.com](https://www.fiverr.com). If need sprite sheets, artwork reviews or custom asset packs built, then pop over the site and check us out. With Christmas just around the corner expect some extra goodies in the stockings. That's all for now, please subscribe, like our facebook page, tweet or just leave a comment. Cheers for the support & see you next month.
